NEW YEAR'S GREETING!

### THE TRAD A MAPPY NEW YEAR TO ONE AND ALL OF OUR MANY FRIENDS

Thanks to a kind Providence and the liberal patronage of this community, we have, since removing to our New Quarters on Second street, done a most satisfactory business, exceeding even our most sanguine expectations, and in consequence of this great success, we are making preparations for a largely increased Spring Business. We have already placed most liberal orders with European and American Manufacturers, and will soon make our usual Spring purchases in the Eastern Markets. Our space being rather limited at present, we must make room for this large incoming stock, and have determined to make such prices as will do it, and will inaugurate the year 1884 by offering the GREATEST BAR-GAINS EVER SHOWN IN MEMPHIS.

James Gibson, mayor of Kansas City, in which he renews the offer made while here of the hospitalities of his city, and suggests that as it is proposed to make the visit in April or May, some time be selected between the 20th of April and the 20th of May, as they are likely to have their prettiest weather then.
